Winter 2011

---

Welcome to our Winter 2011 edition of ***u - news***. This edition gives you some tips leading up to the end of the financial year.

We hope that you have embraced the cooler weather and are taking care of you!

utilize:mytime exists to make your life easier, so we give you these tips on how to enjoy the free time you do have.

**It's not how many dreams you have, it's how many you bring to life.**  
**Bobby Minor**

---

## **End of Financial Year Tips**

- Maximise your superannuation by salary sacrificing
- Consider the government co-contribution
- Diversification protects wealth – Don't have all your eggs in one basket
- Pay as little tax as possible – keep those tax deductible receipts
- Knowledge is valuable – seek advice from a qualified professional

---

## **What we've been up to lately....**

We have been organising a lot of significant birthday parties for our clients. Sourcing the venue, caterers, beverages and entertainment are just a few items related to these very time consuming but worthwhile projects. This has freed up our clients time and allowed them to complete their urgent work projects. By engaging utilize:mytime to manage these projects the client still gets the party they want without the stress to organise it.
