October 2007

Welcome to our October 2007 edition of ***u - news***. With Christmas only twelve weeks away, this edition outlines our checklist for this busy period.

utilize:mytime exists to make your life easier, so we give you these tips on how to enjoy the free time you do have.

'Life is what happens when you're making other plans.'

Christmas Check List

- Book a well deserved holiday
- Make your Christmas gift list
- Think about your Christmas menu
- Begin to write the Christmas cards now
- Post overseas cards and gifts
- Pre order meat, seafood and platters
- Stock up on nibbles and crackers
- Start purchasing beverages in small amounts
- Arrange boarding for pets

What we've been up to lately....

For one of our clients we have organised the transfer of family memories from VHS tapes to DVD's. This will be an excellent Christmas present for their parents. Parts of the movies are from a 50's old movie camera which had no sound. Now they have beautiful music along with the wonderful memories.

Looking for perfumes at reasonable prices, then strawberrynet.com has some great deals.

Interesting things online for ***u*** this month:-
